Re: CLARIFICATION ON RULES / FEES

Hello Members,

Wanted to add this memo to the scoresheet as this has come up over the last 2 weeks. Please make sure the team captains are aware of this memo.

Rules:

1. Players are not required to throw all 3 darts. If a team decides they want to take a chance on leaving themselves or a team-mate on an even number, they can. If they just want to throw 1 or 2 darts, they can. You do not have to throw the other darts off. Once you throw 1, 2 or 3 darts; once you touch a dart in the board, your turn is over.
2. Chalker's can tell players what they have shot and what they have left. Chalker's are not allowed to tell the player what to throw at.
3. Team members can tell or advise a player what to throw or what to leave as a set up shot.
4. Chalker's are to stand facing or angled at the scoreboard/dartboard. Chalker's should not talk or move during a player(s) turn.

Fees:

This is a huge one! If you see that someone that has subbed on your team, and their name is highlighted. PLEASE make sure that the captain knows. After this week, anyone's

name that is highlighted their winning games will be removed for your teams totals and illegal sub penalties will be assessed.

If there is an error in the subs, please let me know. Some of the sheets are not readable or full names have not been written, so I must guess

Thank You

Jeff Bowman
